Thank you for your prayers for our team and please keep it up!

We are still building relationships at the hotel on Samish. One of our front-line workers, Glenda – pictured right - is living there so **pray that the Jesus Study can start to have folks coming regularly and being made disciples of Jesus there.**

A Jesus Study has also started at the Drop in Center at the Lighthouse Mission, led by Morgan West, another Stephen Servant among us. What a joy to jam on guitars with worship songs and share the Word together!

Recently, another Stephen Servant was hanging out at a local Boarding Home that we are connected to, playing chess with a Muslim man, and sharing the Lord with him along with one of the other residents there. The man cleared the chess pieces and proclaimed that **he wanted to be baptized, so pray that we can meet with him, follow up** and baptize him in Jesus' Name

Another fellow who has been a friend of ours for a long time has been doing a kind of therapy to heal from PTSD and while there light surrounded him and embraced him and showed him love and **he knew that it was Jesus speaking to him**, so he is going to church and taking communion and getting to know this Jesus!

Jon Ng prayed with another man for deliverance from demonic powers; **pray that this young man** who has been baptized **will stay true to his faith and renounce the enemy** in his life, able to move forward, get housing and get plugged in to the Body!

So many opportunities for the Gospel have been given to us, praying for folks frequently and sharing the good news of Jesus with them, singing songs of the LORD together on the streets, answering questions about who Jesus is and that only angels that point to Him are angels of light. So many folks have had so many spiritual experiences but they really need Jesus Christ and the truth of His Word and the blessing of community in Him.

Asking a fellow "if you died tonight, do you know where you're going?" and he says, "Yes, I'm a member of the LDS church." "so because you go to that church, you think you're going to heaven?" "Yes, we have the right teaching." "Well, I don't know about that, but I know Jesus is the Way..." He drives away miffed at us, but **we pray that he will seek the true Jesus.**

King 5 News even covered a story about Jon Ng's Street Connect ministry that we've been in partnership with the Lighthouse Mission on. You can check it out at:

Keep praying about our open mic idea, that God would open the door for us there also. So we decided to pass the Dodge Jambo RV 1979 on to someone else because it would have

Our vision: to seek the face of Jesus!

taken a year to fix it up, so we looked for another similar one for about \$2,500 on Craig's list. When we called the folks who were selling it they said they were from one of our supporting churches: Sonlight Church in Lynden and when they heard what we wanted to do with it, **they decided to donate the RV**; so while it still needs some fixing up, it should only take us a month to do so and then we can go to Zuni, God willing, on our next 2 week mission trip. HalleluYah!

Mitchell's Dad was in the hospital this past month and we really thought he was going to glory, but **folks prayed and his blood pressure went up to a stable place** so the doctors could do surgery and then he turned the corner and is at home doing so much better. Thank you for all of you who prayed!

Two of our friends from India are doing a YWAM training in the US and are coming to Bellingham to share with us about their ministry in India and what they learned through YWAM. **It was their family that we gave the ministry van** to in Southeast India. They will be sharing at Hope in Christ and at our house church. If any of you would like to give towards their DTS, just put "India" in the memo line of your check and we'll make sure it goes towards that. Thanks and bless you all for your prayers and the generous gifts that so many gave towards their family already.

If you'd like to donate socks for street night let us know and we can either pick them up **or you can drop them off at the Lighthouse Mission and be sure to say they are for Street Connect.**

We also still want to especially have you pray about whether your small group would be open to enfolding someone, to getting to know a person from downtown Bellingham, loving them, meeting them and maybe even bringing them into your lives a little bit, maybe a lot. I know many small groups already do that, but if the Sprit is prompting you give us a call and we will pray about who might connect with you and give some help in what they could look like, **especially if your small group has gone on a mission trip and wants to do something local and more long-lasting.**
