**Our friends in India finally received the ministry vehicle after much difficulty and delay.** Here is a message from the family there:

*"Dear ones in Christ! Greetings in His mighty name. God has blessed us!! 😊 God heard our prayers and has given us a new ministry car. THANK YOU JESUS!! All Glory to our Lord Jesus! We as family give you a HUGE thanks and BIG hug from us!! Thank you for giving towards the ministry vehicle, this is a huge blessing for us. This is not only a blessing but also a reminder that God wants us to go more unreached people to share HIS love. We would like to thank you each and everyone who have given towards the ministry vehicle, who have helped reach the support to us and have helped purchasing the vehicle. Although satan tried to hinder nothing can stop Gods people doing God's work. Thank you again for everyone who have donated towards the car, we pray you will receive in return hundred fold blessings in the name of our Lord and Jesus Christ. Philippians 4; 13 I can do all things together who strengthens me! Bless you all abundantly. Shalom!! God is so good all the time!"*

**Here is Bellingham**, our friends are now finishing their baptism classes and we are ready to set the dates! Thanks for praying for them and keep it up. They have a lot of obstacles trying to keep them from moving forward, so **pray that they finish well and continue on in discipleship.**

Our vision: to seek the face of Jesus!

The LORD continues to provide for us and a special thank you to those who have given financially. Keep us in prayer also, because we really need the Holy Spirit's power moving in people's hearts.

It's been difficult to meet together at the Hotel on Samish Way because folks have bed-bugs, so we've met together at McDonald's with our friend "Chuck" and prayed fervently for an opportunity for the Gospel with one particular gal who has been struggling there. 5 minutes later we met her on the way back, and she walked with us. **We prayed with her and shared Christ** with her! HalleluYah! Pray her heart will be open and she will give her life to Christ.

On street night we shared the Gospel with a man at a bus stop who started the conversation saying he was an atheist. By the end of the discussion he was open to the existence of God, but then he had to get on the bus. **Pray that he will come to know Jesus** even if we never see him again on this earth.

**The clothing ministry at 1<sup>st</sup> Baptist is in need of new volunteers** for their Tuesday night outreach, so if anyone is interested please let us know, since the ladies asked Envision if we knew anyone who would be willing to take it over. We are praying about what may be the best way to help with that.

**If you are interested in helping with the Jesus Study on Sunday night at the Majestic, at the hotel on Samish, or at the Drop-in-Center at the Lighthouse Mission on Tuesday nights we need volunteers who would consistently come and help lead all three of them.** Please contact with any questions you may have. We will make sure those who volunteer will be trained and equipped for the job.

**We have a couple other men's groups springing up organically**, one of them hosted by a friend at Overeasy Restaurant. Mitzie is doing Ladies' meetings about once a month and we sure appreciate everyone's work on this stuff. Just pray for good fellowship and discipleship in all of these things.

We continue to share the Gospel in every way possible and while we grow weary at times we still believe the LORD has great things in store for us. **Keep our team in prayer for wisdom, protection, provision and strength in Jesus.** Also be praying that we will have wisdom about how to disciple people best who we are encountering on the streets. We sow seeds of the Gospel so much, but how do we give more opportunity for transformation? Thank you all so much for your prayers!
